JAMBALAYA™

RICE MIX

MADE IN NEW ORLEANS, LA
BY MICHAEL ARNONE'S CRAWFISH FEST

In 1985, Michael left his hometown of Baton Rouge to find work as an electrician. He landed in New Jersey and soon grew homesick for the music and food of his roots. Michael wanted to share his joys, and began hosting a party for friends that has grown into a major music and food festival. This Jambalaya Mix is based on his made-from-scratch Jambalaya served to thousands each year at his Crawfish Fest in New Jersey. He has toured the country several times sharing his recipe and in 1993 he was invited to cook as part of the Presidential Inauguration festivities. Enjoy Michael's Jambalaya at home or visit his Crawfish Festival. Michael now resides on the Tickfaw River in Killian, LA www.crawfishfest.com

Since 1989, our Jambalaya has been enjoyed at our Music and Food Festival. Based on our old family made-from-scratch recipe, we created our very own signature Jambalaya Mix, blended and packaged in New Orleans. Nearly 20,000 guests try Michael's Jambalaya each year.
